

Dine-Arounds and Unique Venues

Vail Cascade has a 14-year history of leading successful destination services programs for groups of all sizes. Our highly trained and knowledgeable staff takes pride in providing your group with creative programs and flawless execution. The result is an unparalleled experience for all.

DINE-AROUNDS AND UNIQUE VENUES

Give your guests a taste of Vail that they will savor forever with an evening of dine-arounds! The Vail Valley is home to more than ninety restaurants, cafes and nightclubs. Whether your group's tastes are elegant dining or a less formal atmosphere, the Vail Valley offers a wide range of delightful dining experiences. A dine around in Vail, Lionshead and Beaver Creek is guaranteed to tempt taste buds and please the most discriminating palates. Let your Conference Services Manager select restaurants, which will suit your group's tastes and budget, and allow us to coordinate all aspects of the evening.

Off-Site Specialty Venues

Take your group to a private venue on the mountain for an unforgettable experience. There are numerous choices to customize a night out for your guests. Some will include a sleigh ride or a snowcat ride. Ask your Conference Services Manager what choices you would have for a group of your size.

Advance Reservations

Your Conference Services Manager will reserve tables in advance to ensure that your group will be accommodated at the restaurants you select. Additionally, the Resort on your behalf will manage all deposits and final payments.

Menu Selection

The Conference Services Manager will work as a liaison between the restaurant manager and the meeting planner to design a menu within the budget and time parameters which have been allotted for each dining experience. In conjunction with each restaurant's sommelier, appropriate wines may be pre-selected to complement entrée selections.

Transportation

Depending on the size of your group, Vail Cascade will arrange appropriate transportation to and from the selected venue(s). Additionally, a staff member will be placed at the Resort to dispatch vehicles. Chaperones for each restaurant can be hired at an additional cost.
