

Kid's Lodge to Lift Ski Shuttle Service

Vail Cascade is Vail's premier ski-in ski-out resort. We would like to accommodate your children if they have the need to attend ski school. Vail Cascade is pleased to announce that we offer a Children's Ski Service Program. This service was designed for children participating in Vail Resort Ski School's full-day program offered at Golden Peak. Let us deliver your kid(s) to and from ski school so you can relax and enjoy a spa treatment at Aria Spa or head out to the slopes, with Chair 20 just a few steps away.

The Recreation Manager will meet you and your child and take them to Golden Peak Ski School. They will introduce your child to their ski instructor. At the end of the day, the Recreation Manager will pick up your child from Golden Peak Ski School and bring them back to the Vail Cascade Library.

Your child's ski lift ticket, ski lessons and equipment must be purchased prior to meeting in the library, located across from the hotel front desk.

Program Guidelines

Children must be signed up a minimum of 48 hours in advance from their requested date of lesson, as required by Vail Resort Ski School. Parents are required to purchase the child's lift ticket, ski lessons and ski equipment prior to departure, as well as fill out the registration and waiver forms for Vail Resort Ski School.

Once you register for ski school on their website at www.vail.com, you can then contact our Recreation Manager and reserve a spot on our shuttle.

Cost: \$25.00 per child
