

# It's great to be a kid at Vail Cascade!

Children ages 5-12 are invited to take part in fun and exciting daily activities through Cascade KidVenture, our very own kids' "camp". Each activity is supervised by our staff and designed to be entertaining and educational. Our winter schedule is available from December 13, 2011-April 14, 2012.

Most activities will begin and end at the Aria Spa & Club front desk.
